Cranston, Calgary, Alberta

Welcome to a truly exceptional estate home, where thoughtful design meets luxury living. Tucked away on a quiet street, this custom Baywest-built two-story offers over 4,500 sq ft of beautifully finished space, including a fully developed walkout basement.

Freshly painted throughout and new carpet upstairs, the home showcases 9-foot ceilings, soaring 8-foot solid core doors, and rich espresso-stained hardwood flooring. The expansive main floor includes a private office, formal dining room, and a chef-inspired kitchen with upgraded cabinetry, premium granite, dovetail drawers, stainless steel appliances, and a large butler's pantry. The open layout flows seamlessly to a spacious living area, designed for gathering and everyday living.

Upstairs, four generously sized bedrooms await, including a primary suite featuring a luxurious ensuite with a 10mm glass shower, a deep soaker tub, and a custom-designed walk-in closet. A bonus room offers sweeping mountain views and captures daytime brilliantly. The owners tell me that their favorite feature was all the light no matter what time of day. They also liked looking out the front door and seeing the mountains peeking around the houses across the street.

The walkout level is an entertainer's dream, complete with a large media room, two

additional bedrooms (yesâ€”six bedrooms in total!), in-floor heating, and wet bar access to the fully landscaped backyard with extensive concrete work. Additional highlights include in-ceiling speakers throughout, Kinetico water softener upgraded high-velocity furnaces, an oversized double garage, and a large mudroom and laundry room conveniently located on the main floor.

Perfectly situated close to parks, schools, amenities, and the ridge, this home is a rare opportunity to own a piece of refined living in one of Calgaryâ€™s most desirable communities, Cranston!
