Rocky Mtn House, Rocky Mountain House,
Alberta

Change is underway in Rocky Mountain House. This 6.89-acre industrial parcel at 4302-42 Avenue presents a rare opportunity to acquire industrial-zoned land in west-central Alberta. The Town of Rocky Mountain House recently eliminated off-site levies (July 2025), significantly reducing upfront costs for developers. Ideally situated just east of Highway 11 (David Thompson Highway)-the town's main commercial and tourism corridor-this property offers excellent access and visibility. A creek flows along the west side of the parcel, and a natural spring provides a fresh water source, adding to the land's natural appeal. The property is partially fenced and ready for development, making it an ideal choice for industrial developers seeking cost-effective, strategically located land. Are you ready to capitalize on Rocky Mountain House's growing economy?
