McKenzie Towne, Calgary, Alberta

Welcome to this charming townhome nestled in the coveted Mosaics of McKenzie Towne. From the moment you step inside, youâ€™ll love the new vinyl plank flooring, neutral tones, and an abundance of natural light beaming in through the windows. The thoughtfully designed main level has a modern open concept floorplan that seamlessly flows from the living room, to the dining area and on to the kitchen creating an inviting atmosphere thatâ€™s perfect for both relaxation and entertaining. The kitchen features newer stainless steel appliances, natural maple shaker cabinetry, new silgranit sink and faucet (ideally overlooking the backyard) and a separate pantry. Upstairs youâ€™ll find 2 large bedrooms, on opposite ends of the hallway, each with their own walk in closets, and conveniently separated by a 4 pc bathroom offering plenty of counter space and large linen closet (or extra storage). The 2nd floor is rounded out by an additional â€œflexâ€• area, perfect for a home office, reading area or play room. The lower level features a large utility room and laundry area as well as access to your attached garage. This is no ordinary single garageâ€¦it may have a single door, but the inside measures larger than some double garagesâ€¦allowing for lots of extra storage (bikes / sports equipment), a work bench and a vehicle / motorbike or both! What sets this unit apart from most other townhouses is the private fenced backyard â€¦the perfect place to

unwind after a long day! And if that isn't enough, this home is in an ideal location within walking distance to schools, parks and playgrounds and a wide array of dining and shopping options, while also providing easy access to major roadways making it a breeze to get around. This townhouse offers a great opportunity to live in a thriving community, with everything you need at your fingertips. Be sure to book your showing today!
