TWO GARAGES!!! This immaculate home is sure to impress, meticulously cared for over the years with all the important things updated. A spacious double door entry welcomes you into the home, and gleaming hardwood is located throughout the main areas. The spacious kitchen offers a centre island with hood fan and ample storage. Dining room offers patio doors outside to a covered rear deck. The living area has a classic fireplace as well! There are three bedrooms on the main level, and the primary bedroom offers a full ensuite. Downstairs includes a rec room plus a nook (which was once a 4th bedroom and could easily be converted back). The 22W x 28L double attached garage also is located in the lower level, with direct access into the home. Outside is where this property shines - with a huge front parking pad, extra wide to fit an RV PLUS the rear detached oversized 24W x 30L double garage with its own panel and radiant heat! This is truly a dream shop and has to be seen to be appreciated. The beautifully landscaped yard is surrounded by vinyl fencing, and offers plenty of space despite the shop.
