Beautifully Updated Family Home on a Quiet Cul-de-Sac – Minutes from Schools, Parks & Transit

Welcome to this charming and thoughtfully upgraded 3-bedroom, 2.5-bath home tucked onto a peaceful cul-de-sac in one of Calgary’s most convenient northwest communities. Just minutes from schools, parks, transit, and shopping, it offers the perfect blend of comfort, character, and everyday functionality.

A welcoming southwest-facing front veranda sets the tone before you step inside to a bright front dining room, ideal for hosting holiday dinners or casual family meals. From here, the layout flows into a well-designed kitchen built for both style and function, featuring maple cabinetry with pull-out storage and dual lazy Susans. Stainless steel appliances, including a dishwasher replaced just last year, make cooking and entertaining a breeze, while abundant counter space and thoughtful storage design add everyday convenience.

Just off the kitchen, a cozy living room anchored by a brick-tiled gas fireplace is an inviting space to relax and gather. The main floor features new flooring and a custom-built mudroom for added storage.

Upstairs, all carpeting has been replaced, and you’ll find two comfortable bedrooms and

a main bathroom, along with a spacious primary suite complete with a walk-in closet and refreshed ensuite featuring heated tile floors. The upstairs bathrooms have been updated, adding a fresh, timeless look.

The unfinished basement is ready for your future plans, and laundry is located on this level. Outside, a landscaped and fenced backyard provides room to garden, play, or unwind, with a park just steps away. A double detached garage with paved lane access completes the package.
