Residential on 0.00 Acres

South Calgary, Calgary, Alberta

Striking design and concrete construction set this four-level townhome apart as a rare find in Marda Loop. Built with ICF, steel, and concrete, it's rock-solid, whisper-quiet, and designed for efficiency with radiant in-floor heating and condo fees that include every utility except electricity, so you'll never sweat over fluctuating bills again. Inside, sunlight pours through floor-to-ceiling windows, highlighting the open-concept main floor with hardwood floors, a sleek quartz kitchen, and a defined dining space for real entertaining (not just bar-stool meals). Step out to your private front patio for a glass of wine or weekend grilling gas hookup included. Upstairs, two generous bedrooms, a spa-style bath with heated tile floors, and a dedicated laundry room keep things practical. The entire third floor is your primary retreat: a massive walk-in closet, a luxe spa ensuite, and a private terrace made for slow mornings or sunset cocktails. And yes there's a rooftop patio with city and mountain views that will stop you in your tracks. Extras: TWO titled, heated underground parking stalls (rare in South Calgary!), smart wiring, A/C, in-unit storage, and a well-managed, pet-friendly complex & listed \$125,000 below city assessment! All of this in the heart of Marda Loop steps to caf s, parks, boutiques, and 10 minutes to downtown. Modern architecture, zero compromise, and unreal value.
